

Dear Business Partner,

We are asking for your support of the Ulman Cancer Fund for Young Adult's upcoming fundraiser, Screw Cancer Brew Hope, through a sponsorship. Screw Cancer Brew Hope will host over 350 young professional guests on June 7, 2018 at Crossbar der Biergarten in Baltimore, MD. The evening will feature wine, beer, hors d'oeuvres, and a mission program celebrating the work of the Ulman Cancer Fund for Young Adults. The goals of the evening are to raise money through tickets, raffles and a silent auction, and also to increase the fund's visibility and services.

The Ulman Cancer Fund for Young Adults (UCF) was created by Doug Ulman and his family in 1997 after Doug was diagnosed with cancer during college and had difficulty finding resources for people his age. Frustrated by this void, the Ulman Family established UCF to change lives by creating communities of support for young adults (ages 15-39), and their loved ones, impacted by cancer. We continue to be driven by the goal of ensuring that no young adult has to face cancer alone and remain steadfast in our mission to work for and with young adults and their families as they battle cancer by offering support, resources, and a community that recognizes the profound effect of cancer on young people's lives.

Your sponsorship will enable us to continue our vital work and will directly fund the programs we offer to serve those affected.

Thank you in advance for your support.

Gratefully,

Screw Cancer Brew Hope Auction Committee Member
