

Be a part of something BIG!

# 4K LOGISTICS INTERNSHIP

## WHO WE ARE:

The 4K for Cancer is a program of the Ulman Foundation, a nonprofit that changes lives by creating a community of support for young adults, and their loved ones, impacted by cancer. The 4K for Cancer is a life-changing experience for 18-26 year old young adults to ride or run across the country. Along the way, they'll raise awareness for the adolescent and young adult cancer community, and gain valuable life experience.

## WHO YOU ARE:

- A student enrolled in a college or university, seeking to learn and gain experience in logistics, nonprofits, project management, or the sport community
- Ultimate party planner, the Mary Kondo of organization
- Creative thinker, flexible problem solver, who's comfortable working remotely

## WHAT YOU'LL DO:

- Help plan the 4K for Cancer by charting routes, coordinating hosts, plotting participants miles, ordering gear, and ensuring 4Kers have an amazing summer.

## WHAT YOU'LL GET:

- Hands-on experience in an open, fun, and collaborative environment
- The warm and fuzzies from supporting the 89,000 young adults diagnosed with cancer every year
