ULMAN HOUSE

A home-away-from-home
for young adults and
their loved ones.

WHO WE ARE

At Ulman House we provide **FREE** housing for young adult cancer patients, and their caregivers.

We're proudly located in East Baltimore steps from our city's world-renowned hospitals, and uniquely designed with young adults in mind.

Residents enjoy weekly music nights, dinners prepared by volunteers, and more young adult centered activities.

While Ulman House opened in 2019, our foundation has been serving Young Adults since 1997! Besides housing, we provide support with our Where YA (Young Adults) Meet, monthly support groups, caregiver support groups, and other resources through our Patient Navigators. You do not have to stay at Ulman House to use these services.

Email remotenavigation@ulmanfoundation.org to learn more or be added to our monthly mailing list.
