

ULMAN SCREW CANCER BREW HOPE

SEPTEMBER 18, 2025

**MANOR HILL BREWING
ELLICOTT CITY, MD**

Dear Business Partner,

We're reaching out to invite you to be part of a special evening, Screw Cancer Brew Hope, by becoming a sponsor.

This year's event will take place on Thursday, September 18 at Manor Hill Brewing in Ellicott City, Maryland, and will welcome over 300 guests for a night of local beer, bites, games, and powerful storytelling. More than just a fun evening, it's an opportunity to raise critical funds and awareness for young adults impacted by cancer, a community too often overlooked in the cancer world.

The Ulman Foundation was founded in 1997 after Doug Ulman's cancer diagnosis during college exposed a serious gap in support for young adults. Since then, we have worked to ensure that no young

adult has to face cancer alone by offering personalized navigation, free housing, and a deeply connected community to those ages 15 to 39 and their loved ones.

Your sponsorship helps us keep this promise. It directly fuels the services we provide, from one-on-one support to meaningful community programs, and makes a real difference in the lives of young adults navigating the unthinkable.

Thank you for considering this opportunity to join us. Together, we can screw cancer and brew a little hope.

Gratefully,

Screw Cancer Brew Hope Committee
