

The image shows a promotional graphic for the 'Screw Cancer Brew Hope' event. The background is a dark blue with a repeating pattern of yellow icons: beer mugs, beer glasses, and wheat stalks. At the top, the words 'Screw Cancer' are written in a light blue, cursive font. Below that, the words 'BREW HOPE' are written in large, bold, yellow letters with a white outline and a slight 3D effect. The 'BREW' part is white with a yellow shadow, and 'HOPE' is solid yellow. Below the main title, the event date and location are listed in white, bold, sans-serif font: 'JUNE 4, 2026' and 'LIV'S TAVERN - BALTIMORE'. At the bottom, the 'ULMAN FOUNDATION' logo is displayed in white, with 'ULMAN' in a larger font and 'FOUNDATION' in a smaller font below it, separated by a thin white line.

FOUNDATION

Dear Business Partner,

We're reaching out to invite you to be part of a special evening, Screw Cancer Brew Hope, by becoming a sponsor.

This year's event will take place on Thursday, June 4th at Liv's Tavern in Baltimore, Maryland, and will welcome over 200 guests for a night of local beer, bites, games, and powerful storytelling. More than just a fun evening, it's an opportunity to raise critical funds and awareness for young adults impacted by cancer, a community too often overlooked in the cancer world.

The Ulman Foundation was founded in 1997 after Doug Ulman's cancer diagnosis during college exposed a serious gap in support for young adults. Since then, we have worked to ensure that no young

adult has to face cancer alone by offering personalized navigation, free housing, and a deeply connected community to those ages 15 to 39 and their loved ones.

Your sponsorship helps us keep this promise. It directly fuels the services we provide, from one-on-one support to meaningful community programs, and makes a real difference in the lives of young adults navigating the unthinkable.

Thank you for considering this opportunity to join us. Together, we can screw cancer and brew a little hope.

Gratefully,

*Screw Cancer Brew Hope Committee*
